2011 Lodi Zinfandel

The fruit in this Zinfandel comes from excellent older vineyards in Lodi County; an area recently recognized for its long history and quality of the varietal. The climate is influenced by the San Joaquin Delta which draws cool air from the San Francisco Bay even in the hot days of summer, resulting in extended hang time and increased flavor intensity in the fruit.

Tasting notes:

The '2011 Lodi Zinfandel is made in a ripe, fruit forward style showing lots of raspberry aromas and flavors of blackberry, mocha and licorice. This beautifully balanced wine is rich and supple in the middle, finishing with ripe, juicy tannins.
